Educator / Developer / Integrator

Ivy-league trained, award-winning educator with a record of success at developing communal networks and building project teams to advance an organization's mission. Advanced knowledge of digital tools for creating audio-visual content, editing documents, conducting research, and managing data.

Professional Experience

Azusa Pacific University – Azusa, CA

Instructor, 2018

- Designed a core curriculum course from scratch with a student approval rating of 98%.
- Incorporated digital media into each session and curated online resources for students.
- Sample student comment: "This professor is one of the greatest professors I have ever had."

Princeton University – Princeton, NJ

Preceptor, 2015

- Conducted four, weekly undergraduate seminars with a student approval rating of 96%.
- Honored with the annual teaching award in my department.
- Sample student comments: "Best precept I've ever been in." "Best preceptor I've had all year."

Volunteer Work

Princeton University – Princeton, NJ

Coordinator, 2014 – 2015

- Organized a graduate-student lecture series on key concepts in the subfields of my department.
- Reserved the venue, ordered refreshments, invited speakers, and introduced sessions.

Knox Presbyterian Church – Pasadena, CA

Moderator, 2019 – 2020

- Chaired a committee supporting community members from other countries.
- Composed agendas, led meetings, recorded minutes, tracked expenses, and expanded the team.
